

Kenneth A. Finch
President & CEO

Today, choices in healthcare are abundant. Making the right choice about an individual physician can be a tough decision. But, with the right

resources, we can make healthcare decisions that best meet the needs of ourselves and our families.

Texas Health Huguley Hospital's directory of physicians and services has been designed to provide you with a valuable healthcare reference to help make the healthcare choices that are right for you.

I appreciate the trust you have placed in Texas Health Huguley in the past, and I assure you that we are committed to providing our community with the highest level of medical care. Our mission is to serve people through the continuing physical and spiritual ministry of Christ as exemplified by His life, love and compassion.
